Concert Tours With Integrity

An Exclusive Concert Series

Music, history, and Southern hospitality are what make Nashville special. Located in the smoky mountain state of Tennessee, Nashville is a must-visit city for culture aficionados, history buffs, and musicians. Combine these characteristics with a vibrant natural beauty, and Nashville becomes the ideal destination for a concert tour.

Nashville has an international reputation as a center of culture. Each year it plays host to a number of musical and theatrical events, including the Nashville Film Festival, the Southern Festival of Books, the Nashville Shakespeare Festival, and even the Country Music Marathon. Cheekwood Botanical Garden and Museum of Art, the Frist Center for the Visual Arts, the Johnny Cash Museum, and even a full-scale replica of the Ancient Greek Parthenon, dating back to 1897, are all highlights in this city. Opened in 2021, the National Museum of African American Music is an unforgettable experience for music lovers of all generations and inspired, educates, and transforms your appreciation of American music.

Walk down to 'The District' in the Music City and one will meet a hundred different clubs and bars pouring out honky-tonk. When daytime rolls around, take a trip to the Country Music Hall of Fame and Museum and the majestic 'Carnegie Hall of the South': The famous Ryman Auditorium. If the Ryman by day gets ones creative juices flowing, then an evening at the Grand Ole Opry is sure to impress. With a weekly country music concert held at the famous auditorium, the Grand Ole Opry has been running since 1925; it's a unique part of Nashville, as well as America's, musical history.

The National Festival of the States is an annual concert series developed by Music Celebrations in various cities throughout the United States. These performance tours are supported by local government offices, community organizations, tourist boards, and the like. Such affiliations offer a more memorable musical, cultural and educational experience for recommended ensembles (both instrumental and vocal) to perform in different venues in the most historic cities and celebrate the founding, history, and institutions of the United States! Music Celebrations has been successfully organizing the National Festival of the States concert series for over 20 years.

"This was the best trip I have been on during my teaching career! Since we are a music group, it was so appropriate for us to enjoy such a musical city. We enjoyed the excitement of the musical history and current energized atmosphere of Nashville. The performance at the Country Music Hall of Fame was exciting, and the staff was so helpful and accommodating. We were pleased that we had a large audience and they were enthusiastic!"
