*Concert Tours With Integrity*

# An Exclusive Concert Series

The National Festival of the States is an annual concert series developed by Music Celebrations in various cities throughout the United States. These performance tours are supported by local government offices, community organizations, tourist boards, and the like. Such affiliations offer a more memorable musical, cultural and educational experience for recommended ensembles (both instrumental and vocal) to perform in different venues in the most historic cities and celebrate the founding, history, and institutions of the United States!

The State of Arizona is home to Grand Canyon National Park, the largest number of Native American speakers, including Navajo and Apache, Gammage Memorial Auditorium, designed by the inimitable architect Frank Lloyd Wright, Sedona “Red Rock” country, the Musical Instrument Museum (MIM), the largest museum in the world of its type, and the state capital Phoenix - the Golden Jewel of the Sonoran Desert. America’s fifth-largest city has such unique character - nowhere else will you find Cowboy and Indian culture, ranchers and major corporations, and red-rock buttes and cacti, living side by side.

Visiting music ensembles will experience true Southwest culture. Take a stroll through the Desert Botanical Garden to gaze at awe-inspiring desert vegetation, tour the Heard Museum for Native American art and culture, shoot ‘em up at Rawhide Wild West Town, or tour the Phoenix Art Museum for the Southwest’s largest museum of contemporary art.

Everyone should experience the wonders of Phoenix – and the best performing groups can, through the expertise of Music Celebrations International!

*This is a very flexible itinerary. Except for confirmed appointments and performances, the places of interest and the sequence of sightseeing might be changed if necessary or desirable. In the event of an unavoidable conflict in the performance and the sightseeing schedule, the concert schedule will prevail, and it may be necessary to exclude some sightseeing activities.*
