About the festival

The **Festival Singers of Florida Festival Chorus** is a program to provide singers with an opportunity to study the art of choral singing and to perform in a beautiful professional venue: Alice Tully Hall in New York City's Lincoln Center. Participants will spend one weekend rehearsing and performing with a professional-level mixed chorus and experience the excitement of "Engaging and Inspiring through Impassioned Singing," which is the mission of Festival Singers of Florida. The Festival Chorus, under the direction of Dr. Kevin Fenton and Dr. Craig Zamer, will perform several wonderful pieces, new and old, that support the theme of "Love and Romance."
