Standard Tour #1 (6 nights / 8 days)

Day 1

Departure via scheduled air service to London

Day 2

London / Cardiff

(D)

Arrive in London

Meet your MCI Tour Manager, who will assist the group to the awaiting motorcoach for transfer to Cardiff

Stop at Stonehenge, located around 30 minutes north of Salisbury on the beautiful Salisbury Plain. It is Europe's most famous prehistoric monument and you can sense the mystery that shrouds the ancient stones that were constructed over 5,000 years ago!

Continue on to Cardiff for a Welcome Dinner

Cardiff, the capital city of Wales since 1955, is one of Europe's fastest growing cities. It has developed from being a pleasant capital with a fine maritime history into a vibrant state-of-the-art city with an exciting future. It is also an ancient city, and the legacy left by the Romans, Normans, and the Industrial Revolution is clearly visible

Day 3

Cardiff

(B,D)

Enjoy a morning guided tour of Cardiff Castle, which stands in the very center of the city. The castle contains some of the most important historic interiors in Britain and occupies the site where a Roman fort once stood. The extraordinary interiors were designed by William Burges in 1868 and are in the Arab, Gothic and Greek styles. In the grounds of the castle see the 12th century Norman keep. Also visit the Museum of Welsh Life at St. Fagan's on the western outskirts of the city. Here, travel back in time and experience how life in Wales would have been at various stages over time. The outdoor museum contains a fine collection of re-erected buildings from all over Wales, including cottages, farmhouses, a chapel, school, corn mill and village store, not to mention the Elizabethan mansion

Day 4

Gloucester / Stratford

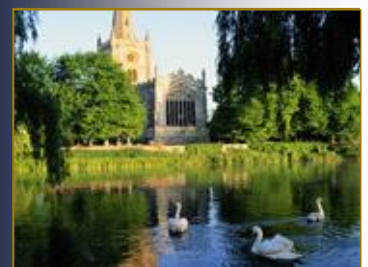

(B,D)

Transfer to Stratford-upon-Avon

En route, stop in Gloucester to visit their historic cathedral

Upon arrival in Stratford, enjoy a tour of the Shakespeare properties. Start with the half-timbered house that is Shakespeare's Birthplace. The house itself is part museum and part shrine. Then visit Anne Hathaway's Cottage, which is situated around 1 mile outside Stratford. In truth, the cottage is more a farmhouse than a cottage. See the Hathaway bed in addition to the beautiful gardens, orchard and Shakespeare tree garden. Also see Holy Trinity Church, which occupies a truly magical setting amongst some trees next to the river. The church itself is typically English, demonstrated by the tower, transepts and the perpendicular nave and aisle. It is on the north side of the chancel that Shakespeare is buried

Stratford-upon-Avon is a small and delightful Tudor market town beside the River Avon. Stratford is one of Britain's most visited towns due to its association with the playwright William Shakespeare. The timber frames of numerous buildings come from the nearby Arden Forest

Day 5 **Oxford / Windsor / London** **(B,D)**

Transfer to London
Stop in Oxford to tour the world-famous university
Continue on to Windsor for a tour of Windsor Castle, built 900 years ago by William the Conqueror to guard the western approach to London. Today, it is England's largest castle and also the largest inhabited stronghold in the world. Highlights of the visit will be St. George's Chapel and, subject to royal commitments, the State Apartments
Continue on to London for dinner and overnight

London is a cozy city, encompassing some 620 square miles and 7,000,000 hospitable people. Established 1,250 years ago by King Aethelbald, London became an important Roman city. It was resettled by the Saxons in the fifth century, after the end of the Roman occupation. London has been scourged by the plague (1665) and was almost entirely destroyed by the Great Fire (1666). World War II's "Blitzkrieg" tore up the city considerably. She stands today as a monument to perseverance, culture, excitement, history, and greatness

Day 6 **London** **(B,D)**

A guided tour of London includes the residential and shopping districts of Kensington and Knightsbridge. Pass Westminster Abbey, where most English Kings and Queens have been crowned since 1066, and where many are buried. See Whitehall and Trafalgar Square with Nelson's Column, past Big Ben and the Houses of Parliament to Buckingham Palace, possibly to see the Changing of the Guard
Continue along Fleet Street to St. Paul's Cathedral, and also see the 900-year-old Tower of London, whose construction was initiated by William the Conqueror

Day 7 **London** **(B,D)**

Enjoy a day at leisure in London. Motorcoach and Tour Manager are at the group's disposal for additional sightseeing, shopping or other excursions. You may like to visit a museum, perhaps do some shopping, or simply take in the atmosphere of this cosmopolitan city. Ask your guide how to get to the shops of Oxford and Bond Street, or perhaps Harrods!
Alternatively, spend time in bustling Leicester Square, Trafalgar Square or Piccadilly Circus, or in the relatively quiet confines of the Natural History Museum. The city is yours!

Day 8 **Depart for home** **(B)**

Transfer to one of London's airports for return flight
Return home in the evening of the same day

This is a very flexible itinerary. Except for confirmed appointments and performances, the places of interest and the sequence of sightseeing might be changed if necessary or desirable. In the event of an unavoidable conflict in the performance and the sightseeing schedule, the concert schedule will prevail, and it may be necessary to exclude some sightseeing activities.
