

# American Celebration of Music in Canada

## Vancouver, British Columbia

Why Vancouver? No matter what time of the year you visit, there are indoor and outdoor activities to please adults, families, couples and friends to no end. Majestic mountains, a sparkling ocean, rainforests and beautiful foliage during all four seasons make Vancouver one of the most beautiful cities in the world. Canada is known for our people's friendly nature, and Vancouver's citizens take great pride in this tradition.

The American Celebrations of Music is a special annual performance-tour program, co-sponsored by local governments, music associations, community organizations, and tourist boards around the globe. In many countries this has developed into a prestigious, recognized, year-long concert-series festival. Recognition of this festival facilitates greater access to performance venues, official publicity, generally very successful concert arrangements, and the ability to touch local cultures in a way that may not be done through other affiliations. This equates to more meaningful musical and emotional experiences for participating performance ensembles.

Vancouver has a long history of supporting all areas of the arts. Unofficially known as "Hollywood North," the city is often a top choice for numerous films and television shows. The stunning setting of the city influence its interest in the arts - music, movies, theatre, and dance are prevalent in Vancouver. The city has a rich assortment of musical groups and venues.

Your concert tour will truly be enriched with the surroundings of history, architecture, and beauty that is best experienced "first hand." Participation in the American Celebration of Music in Canada can make this happen for you and your touring ensemble!
