Day 2 **Vancouver** **(B,D)**

Breakfast at the hotel

Start your day at Capilano Suspension Bridge, where you can walk the world's greatest suspension foot bridge

Experience both a guided park tour and a guided nature tour. The nature tour provides guests with a highly interactive introduction to the ecology of the West Coast Rainforest. Learn about the flora and fauna found in this ecosystem, as well the climatic characteristics that make the West Coast a unique environment. The Park also offers live entertainment beginning at the end of May, running through to beginning of September daily. The performers sing every hour on the half throughout the day. Each set lasts about 30 minutes

Lunch can be here on your own

Admission here includes the suspension bridge, Treetops Adventure and new in 2011: Cliffhanger!! Cliffhanger juts out from the granite cliff face above Capilano River, taking you to previously unexplored areas of the park on a series of unobtrusive cantilevered and suspended walkways. In some sections, the glass floors are all that separates you from the canyon floor far below. Treetops Adventure offers a squirrel's eye view of a thriving coastal forest. You can venture from one magnificent Douglas fir tree to another on a series of elevated suspension bridges, some reaching as high as 100 feet (30m) above the forest floor

Next, it on to Grouse Mountain with the exciting Skyride – North America's largest aerial tramway system, 3700 feet above sea level. Admission also includes Theatre in the Sky, Grouse Mountain's high-definition cinema experience, "Born to Fly" takes you up close on a dramatic journey through the scenic beauty of BC. This stunning documentary reveals the highest peaks of BC's mountains, the sparkle of ocean whitecaps and the lushness of rainforest, all from an eagle's perspective

Take part in a guided Interpretive Walk (starts in May) and learn about local flora and fauna, the history of Grouse Mountain and the local geology of the North Shore mountains. This 45-minute walk with a knowledgeable Grouse Mountain guide will take you across the mountain plateau and the serene Blue Grouse Lake

area, home of the hívus feasthouse and cultural centre. The world famous Lumberjack Show, scenic chair rides and Bird in Motion available during summer months only

Dinner included tonight nearby

Afterwards, wander down the narrowest street in North America in the continent's oldest Chinatown and/or walk along the Inner Harbour area and waterfront

Horse drawn carriage rides is also an option (additional cost)

Option instead of Butchart Gardens: experience an exhilarating tour to see the Orca whales. Victoria's spectacular coastal waters teem with an abundance of marine wildlife, including seals, sea lions, porpoises, and of course over 80 resident killer whales (additional cost)

Day 4

Depart for home

(B)

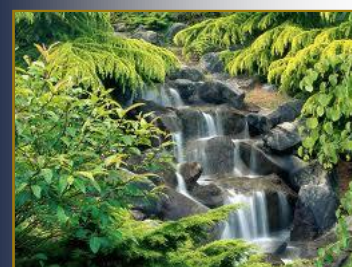

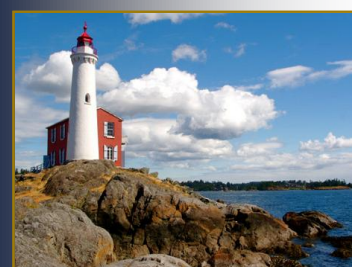

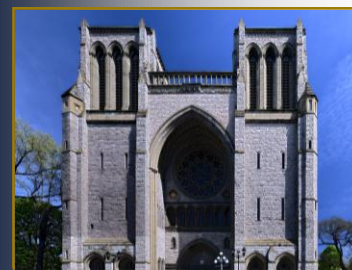

Breakfast at the hotel and check-out

Transfer to the harbor for a ferry back to Vancouver

Afternoon departure for home

This is a very flexible itinerary. Except for confirmed appointments and performances, the places of interest and the sequence of sightseeing might be changed if necessary or desirable. In the event of an unavoidable conflict in the performance and the sightseeing schedule, the concert schedule will prevail, and it may be necessary to exclude some sightseeing activities.
