Day 2 Hanoi

Arrive at Hanoi. Meet your MCI Vietnamese Tour Manager, who will assist the group to awaiting chartered motor coach for a transfer to the hotel. This evening we will attend a Water Puppets performance at the Municipal Water Puppets Theater and a Welcome Dinner at a local restaurant.

The Vietnamese nation was born among the lagoons and marshes of the Red River Delta around 4000 years ago and for most of its independent existence has been ruled from Hanoi, Vietnam's small, elegant capital lying in the heart of the northern delta. Given the political and historical importance of Hanoi and its burgeoning population of three million, it's still a surprisingly low-key city, with the character of a provincial town

Day 3 Hanoi

Following breakfast at the hotel, we will enjoy a city tour with visits to the Temple of Literature, Ho Chi Minh Mausoleum and Presidential Palace, Ho Chi Minh Stilt House, One Pillar Pagoda and the famous "Hanoi Hilton" prison. We will have lunch at a local restaurant in Hanoi. The afternoon will be spent at our leisure and prepare for this evening performance. ***Evening Concert at Hanoi Opera House***

Day 4 Hanoi / Halong Bay

This morning will start with breakfast in the hotel, followed by hotel checkout. ***We will then visit a high school or college class (providing that school is in session) and will participate in a cultural exchange and enjoy lunch with the students.*** We will then drive north to the Bac Ninh Province where we will visit a local village and enjoy a traditional performance at the Communal House. We will then continue to travel along the Red River Delta, arriving in Halong Bay in the late afternoon.

The Ha Long bay, dotted with 1,600 limestone islets rising from emerald waters, is the best known natural wonder of Vietnam. Because of their precipitous nature, most of the islands are uninhabited and unaffected by a human presence. The site's outstanding scenic beauty is complemented by its great biological interest. The islands feature endless numbers of beaches, grottoes, and caves. Ha Long means "where the dragon goes into the sea". According to a legend, as a great dragon who lived in the mountains ran towards the sea, its tail gouged out valleys which later filled out with water, leaving only bits of land over the surface, the many tiny islets.

Day 5 Halong Bay

After breakfast, we will spend most of the day discovering Halong Bay by private boat. The 6-hour cruise will pass many beautiful islands and will stop at one of the most gorgeous caves on the bay. We will swim (weather permitting) in the gulf of Tonkin, of the South China Sea. Lunch will be served on the cruise. We will return to the mainland in the afternoon. *Evening performance at Theatre in Ha Long City*

Day 6 Hanoi / Hai Phong

Our day will begin with breakfast at the hotel. We will then check out of the hotel and depart for a 90-minute drive to Hai Phong City, the third largest city in Vietnam. Upon our arrival in Hai Phong, we will check into our hotel and have a brief tour of the city. We will have some time to relax in the afternoon. *Evening performance at the Hai Phong City Theater.*

Hai Phong is northern Vietnam's main port, and an important industrial and commercial center. 105km from Hanoi, Hai Phong is a beautiful city with much of the central colonial quarter still preserved. Many streets are bordered by flame flower trees, giving the city its other name "city of flame flowers".

Day 7 Hai Phong / Ninh Binh / Hanoi

We will start the day with breakfast at the hotel. We will then leave Hai Phong for Ninh Binh, a 4-hour drive. Once in Ninh Binh we will visit rice fields, caves via boat, and a temple in the local village. We will drive back to Hanoi in the late afternoon.
