ASSISTANCE SERVICES WILL BE PROVIDED BY CSA'S
DESIGNATED PROVIDER.

Available Services

Various 24-Hour Emergency Assistance Services are provided under the CSA Travel Protection packages. A description of all 24-Hour Emergency Assistance Services offered is contained in this document. The 24-Hour Emergency Assistance Services are only available to persons whose primary residence is in the United States or Canada. This plan is administered by CSA Insurance Services.

How to Call the 24-Hour Emergency Hotline

If you need emergency help for an available service, you can call toll-free 24 hours a day to (866) 816-2068 from within the United States, or call collect to (603) 328-1737 from anywhere else in the world. Please have ready your Plan Code, your location, a local telephone number, and details of the situation. The assistance provider will confirm your enrollment and assist you. If you cannot call collect from your location, dial direct and give the assistance coordinator your telephone number and location. The assistance coordinator will call you back promptly.

Seek local help if your emergency is immediate and life-threatening, and contact the assistance provider by calling the hotline as soon as reasonably possible.

Help services have been included in this program to provide, whenever possible, on-the-spot and immediate assistance for those unexpected problems that can arise during your trip.

There may be times when circumstances beyond the assistance provider's control hinder their endeavors to provide help services; they will, however, make all reasonable efforts to provide services and help resolve your problem.

The assistance provider's staff will do their best to refer you to appropriate providers. However, the assistance provider and CSA cannot be held responsible for the quality or results of any services provided by these independent practitioners.

Availability of Services

The 24-Hour Emergency Assistance Services become available when you actually start your trip. Services end the earliest of: midnight on the day the program expires; when you reach your return destination or when you complete your trip.

Medical Referral

If an emergency occurs during a trip that requires you to seek urgent medical advice, you should call the 24-Hour Hotline to obtain the names of local qualified doctors who speak your language. If additional medical services are required, the assistance provider is prepared to consult

with the attending physician and provide such assistance as they believe to be in your best interest.

Emergency Cash Transfer

If your cash or traveler's checks are lost or stolen, or unanticipated emergency expenses are incurred, the assistance provider will, whenever possible, help arrange for an emergency cash transfer in currency, traveler's checks or other form acceptable to the assistance provider. These funds must come from your major credit card(s) or from family and/or friends.

Legal Referral

The assistance provider will provide travelers with access or referrals to the most conveniently located attorneys available during regular working hours. Assistance will also be provided in obtaining bail bonds in those geographical locations where such bonds are customarily issued. You are responsible for contracted legal fees.

Lost Ticket and Passport Assistance

The assistance provider will, whenever possible, provide you with referrals and information to assist in obtaining replacement for lost or stolen travel documents, passports, travel tickets, etc.

Emergency Prescription Refill Assistance

The assistance provider will assist you, whenever possible, in obtaining a replacement of an existing prescription when your medication has been lost, stolen, or if you are in need of a refill. The prescription will be refilled by a licensed pharmacist or other authorized personnel in the country in which you are traveling. It will be replaced with the same brand of medication prescribed in the U.S., or the equivalent in the country in which you are traveling. The refill may require a visit to a local physician. You should be prepared to furnish the assistance provider with a copy of your original prescription and/or the name and phone number of your regular attending physician. Replacement medication and visit to a local physician will be at your expense.
